Azadi Ka Amrit Mahotsav (AKAM) stands as a momentous nationwide initiative, managed by the collective efforts of our citizens, to commemorate 75 years of India's independence. In line with this monumental occasion, the Ministry of Culture has conceived a campaign named "Meri Mati Mera Desh," set to serve as the culmination of the Azadi Ka Amrit Mahotsav. This campaign will be a tribute to the valorous Veers who made the ultimate sacrifice for our country. It will encompass ceremonies conducted at the block, urban local body, state, and national levels, with the active participation of educational institutions at all tiers, including schools.

To ensure the resounding success of this initiative, schools play a vital role. CBSE urges all schools to engage in the following key areas:

- Igniting Enthusiasm through Student Involvement:
- Foster a sense of participation by involving students actively in the campaign.
- Devote special assemblies to the campaign's theme and distribute informative leaflets to parents, creating awareness and garnering support for the cause.
- Encourage students to take the Panch Pran Pledge, a solemn commitment to the nation's values. Additionally, encourage them to take selfies with handfuls of soil ("Mitti") and upload them to the dedicated website, symbolizing their connection to the land and its history.
- Ensure that students actively engage in the campaign at the grassroots, block, urban local body, and national levels.

Details of the comprehensive program outlined by the Ministry of Culture in their letter dated 23.07.2023 are attached in Annexure-1.

Furthermore, the Ministry of Youth Affairs and Sports is spearheading a significant aspect of the celebration—a plantation drive. In commemoration of 75 years of independence, schools are encouraged to plant 75 saplings of indigenous trees and establish an "Amrit Vatika" on their premises. Communication from the Ministry of Youth Affairs is enclosed as Annexure-2

In support of this endeavor, the Ministry of Environment, Forest, and Climate Change is providing saplings for the plantation. The Director General of Forest and Special Secretary has communicated with the Principal Chief Conservators of Forest and Heads of Forest Forces of all States/Union Territories, seeking their involvement. A copy of this letter, dated 10.07.2023, is enclosed for your reference as Annexure-3

By encouraging student participation in these activities, schools can collectively honor our heritage, amplify our dedication to the nation, and lay the foundation for a brighter, greener future.

D.O. No. I-20011/5/2023-NYKS

Dated the 24<sup>th</sup> July 2023

Dear Sanjay ji,

In order to commemorate 75 years of Independence, a Mega program Meri Mati Mera Desh is proposed to be conducted on 9<sup>th</sup> August, 2023 in over 2.5 lakhs+ Gram Panchayats across the nation.

2. A key component of the program is planting of 75 saplings of indigenous trees and establish Amrit Vatika at village level. This act would re-affirm our bond with the land and renews our commitment to protect it for future generations. The Ministry of Environment, Forest and Climate Change has kindly agreed to offer support by providing saplings for the plantation. In this regards, DG Forest and Special Secretary Ministry of Environment and forest have written letter to Principal Chief Conservator of Forest to extend their support. A copy of the letter is attached here.

3. The Amrit Vatika should ideally be located near an Amrit Sarovar or water body, where these are unavailable, Village Schools would be excellent locations for the establishment of Amrit Vatika. If feasible, all schools can plant Amrit Vatikas of 75 saplings per school. Accordingly, we request the Department of School Education and literacy to write to School Education Department of States/UTs to identify location for establishment of Amrit Vatika and extend their support for making this Mega programme a success.

4. Directions are being issued to the field level officers of NYKS/ NSS to liaise with the respective forest departments in States/Union Territories in this regard. We look forward to hearing from you at the earliest.

With regards,

Yours sincerely,

D. O. No. 6/DGF&amp;SS/Misc./2023

Dated: 10<sup>th</sup> July, 2023

Dear Sir,

Kindly refer to the D.O. letter No. I-20011/5/2023-NYKS Part-(1) dated 10<sup>th</sup> July, 2023 regarding Mega plantation drive being conducted to commemorate the 75<sup>th</sup> year of Indian Independence during the month of July-August, 2023, to promote environmental conservation (copy enclosed).

As part of this grand event, it has been planned by Department of Youth Affairs to plant 75 saplings in each village throughout the country. Approximately 6.64 lakh villages are in our nation, and accordingly there is a requirement of almost about 5 crores saplings for this extensive plantation drive. Focus will be on indigenous species which should be proposed to be planted to each village.

In view of the above, it is requested that District Youth Officers be supported by DFOs for providing saplings and also technical input for plantation and their maintenance. Please advise all your subordinate officers accordingly.

Best wishes,

Yours sincerely,

End: As above
