Event - NATIONAL LIBRARIAN'S DAY

- Date: 12th August 2024
- Location: Near Lawn
- Objective:
 1. Honor Dr. S.R. Ranganathan's legacy and contributions to library science, including the development of the Five Laws of Library Science.
 2. Celebrate the vital role of libraries as hubs of knowledge, learning, and community development.

National Librarian's Day is celebrated in India on August 12th every year to commemorate the birthday of Dr. S.R. Ranganathan (1892-1972), a renowned Indian librarian and educator who made significant contributions to the field of library science.

The objective of National Librarian's Day is Recognize the importance of librarians and their role in promoting literacy, education, and information dissemination, Honor Dr. S.R. Ranganathan's legacy and contributions to library science, including the development of the Five Laws of Library Science, Raise awareness about the need for quality library services and infrastructure in India, Encourage librarians to continue their efforts in promoting reading, learning, and

community engagement, Celebrate the vital role of libraries as hubs of knowledge, learning, and community development.

National Librarian's Day was celebrated by BLVN Library department. During morning assembly information on National Librarian Day given by Ms.Aarna Singhaniya and Ms. Kavya Jadhav of class 7A. Principal madam Ms. Kirti Mishra, garlanded the image of Dr. S.R. Ranganathan, paying tribute to his remarkable contributions to library science. This gesture honored his legacy and inspired all to emulate his excellence.

Reading has always being have a source of knowledge, happiness and even pleasure. It also broadens the vision. With a view build a capable readers Bhavans lloyds Vidya Niketan celebrated National Librarian Day.

Event - Left Handers Day

- Date: 13th August 2024
- Location: Near Lawn
- In charge Teachers: Mr. Chetan Korde & Mrs. Ranjana Bute
- Participants Name: Ms. Bhavi Newle and Ms. Ayushmita Singh of class 7A
- Objective:
 1. **Raising Awareness:** Highlighting the specific difficulties left-handed people might face in a predominantly right-handed world, such as in the design of tools, desks, and other everyday items.
 2. **Celebrating Uniqueness:** Acknowledging and celebrating the creativity and skills often associated with left-handed individuals and recognizing their contributions across various fields.
 3. **Encouraging Inclusivity:** Advocating for more inclusive designs and practices that accommodate the needs of left-handed people and promoting better understanding and acceptance of left-handedness.
 4. **Educating the Public:** Providing information about the science behind left-handedness, including its genetic, neurological, and cultural aspects.
 5. **Fostering Community:** Creating a sense of community and solidarity among left-handed individuals and providing a platform for sharing experiences and insights.

Every August 13th, Left Handers Day shines a spotlight on the experiences and contributions of the world's left-handed individuals. Established in 1992 by the Left-Handers Club, this day serves to both celebrate and raise awareness about the unique challenges that left-handed people encounter in a predominantly right-handed world.

Despite being only 10% of the global population, left-handed individuals often face

everyday obstacles due to tools and environments designed with right-handed users in mind. Overall, Left Handers Day is not only about acknowledging the challenges faced by left-handed people but also about celebrating their contributions and advocating for a more inclusive world. It's a reminder that diversity in all its forms enriches our society, and recognizing these differences helps foster greater understanding and acceptance. During Morning assembly information on left handers day was given and displayed the informative charts on great left handers of the world.

Event - Dr. Anand Chahande's Session on Career Counseling and Spirit of Patriotism

- Date: 14th August 2024
- Location: Front Lobby

On the occasion of **Azadi Ka Amrit Mahotsav**, celebrating India's 78th Independence Day, Dr. Anand Chahande, a distinguished academician and retired Indian Air Force officer, addressed the students of classes VII and VIII at BLVN School on 14th August. Dr. Chahande holds an MA in English, has cleared both NET and SET, and completed his Ph.D. in American Literature. Since 2009, he has been serving as the Head of the Department of English at Indraprastha New Arts, Commerce & Science College, Wardha. Prior to his teaching career, Dr. Chahande served in the Indian Air Force for 21 years, from 1985 to 2005, before taking voluntary retirement to pursue his passion for teaching.

Dr. Chahande's session was focused on two important themes: career counselling and the spirit of patriotism. In his address, he shared valuable insights on various career opportunities, emphasizing the importance of setting clear and working consistently toward them. He motivated the students to identify their interests and strengths early, encouraging them to align their academic efforts with their future aspirations.

In the latter part of his session, Dr. Chahande spoke passionately about the essence of

patriotism and the significance of national pride. Drawing from his own experience in the Indian Air Force, he highlighted the sacrifices made by countless individuals for the country's freedom and urged the students to contribute positively to society as responsible citizens. His anecdotes from his years in service, coupled with his experience as an educator, resonated deeply with the students, leaving a lasting impression on them.

The session concluded with an interactive Q&A, where students enthusiastically asked questions about both career paths and patriotism. Dr. Chahande's inspiring words not only guided the young minds but also instilled in them a sense of duty toward their nation.

The event concluded with a heartfelt rendition of a patriotic song performed by students trained by Madam Archana Kamble. The melodious performance beautifully encapsulated the spirit of the occasion and added a meaningful touch to the event.

The program was a fitting tribute to India's 78th Independence Day, reminding everyone of the values of dedication, discipline, and love for the country. The school administration expressed its gratitude to Dr. Chahande.

Thank you for reading!
